At the February 28, 2017 meeting of the Michigan Public Service Commission in Lansing,

PRESENT: Hon. Sally A. Talberg, Chairman
Hon. Norman J. Saari, Commissioner
Hon. Rachael A. Eubanks, Commissioner

ORDER

Public Act 295 of 2008 (Act 295)¹ requires all providers of electric and gas service in this state to establish energy optimization programs by filing energy optimization plans (EOPs) with the Commission. MCL 460.1071(1). EOPs are subject to Commission approval and enforcement “in the same manner as an electric provider’s renewable energy plan [REP],” with the exception of alternative electric suppliers. MCL 460.1071(2); MCL 460.1005(a)(iv). Thus, biennial EOPs are required from investor-owned utilities (IOUs), rate-regulated cooperatives (RRCs), member regulated cooperatives (MRCs), and municipally-owned electric utilities (MOEUs). MCL

¹ Effective April 20, 2017, Act 295 is amended by 2016 PA 342 (Act 342). The Act 342 amendments do not affect the annual reports and reconciliations at issue in this order.

460.1097(1) provides that, “By a time determined by the commission, each provider shall submit to the commission an annual report that provides information relating to the actions taken by the provider to comply with the energy optimization standards.” All cooperatives and MOEUs are subject to additional requirements regarding reporting to their governing bodies and customers. MCL 460.1097(1), (3).

Act 295 requires the Commission to commence annual REP and EOP reconciliation proceedings for IOUs and RRCs, which the Commission has determined should be simultaneous with the filing of annual reports.² MRCs and MOEUs are not subject to a reconciliation requirement. All of the above-captioned electric providers have approved EOPs. Attachment A to this order provides the docket numbers and filing due dates for annual reports and reconciliations. In the event a filing deadline falls on a weekend, the Commission directs any affected utility to file its EOP reconciliation or annual report on the following business day.

THEREFORE, IT IS ORDERED that each utility listed in the caption of this order is directed to file its energy optimization reconciliation or annual report in the docket number listed on Attachment A.

² The Commission notes that although Wisconsin Public Service Corporation and Wisconsin Electric Power Company have transferred the majority of their Michigan customers and operations to the Upper Michigan Energy Resources Corporation, effective December 9, 2016, these providers had approved EOPs in 2016, and are required to file energy optimization reconciliations for that year.

The Commission reserves jurisdiction and may issue further orders as necessary.

Any party desiring to appeal this order must do so by the filing of a claim of appeal in the Michigan Court of Appeals within 30 days of the issuance of this order, under MCL 462.26. To comply with the Michigan Rules of Court's requirement to notify the Commission of an appeal, appellants shall send required notices to both the Commission's Executive Secretary and to the Commission's Legal Counsel. Electronic notifications should be sent to the Executive Secretary at mpscdockets@michigan.gov and to the Michigan Department of the Attorney General - Public Service Division at pungpl@michigan.gov. In lieu of electronic submissions, paper copies of such notifications may be sent to the Executive Secretary and the Attorney General - Public Service Division at 7109 W. Saginaw Hwy., Lansing, MI 48917.
